\* Content Creation \* Learning  
about films & direction.

## SUMMARY

I am a third-year computer science student and self-taught web developer with experience in HTML, CSS, JavaScript, Node.js, and Express.js. In addition to my technical skills, I also have experience in graphic design, with a strong foundation in converting designs from graphic to web. I am a proactive learner with a passion for building and designing intuitive, user-friendly websites.

## EXPERIENCE

**SUSHILAP** | Front-end developer & Designer  
Sept 2021 - March 2021
